PROFILE

Web developer leveraging a background in sales to provide insight on how end-users interact with websites and software platforms. Earned a certificate in Full Stack Web Development from the University of Miami Coding Bootcamp. Innovative problem-solver with a passion for developing applications that are focused on design and development. Strengths in leadership, teamwork and converting ideas into complete projects.

PROJECTS

TRAVLR
Tools: HTML, JavaScript, React, React-Bootstrap, Express.js, Node,js, MongoDB, GraphQL

Full stack application that is based on recommendations. It allows travelers to search other travelers' suggestions about each city's activities, restaurants and landmarks. The application was built in a group setting.

MY RECIPE COOKBOOK
Tools: HTML, CSS, JavaScript

This application allows a user to store their favorite recipes in one spot. It also allows users to search new recipes they would like to try out. Application was built in a group setting.

ATMOS
Tools: HTML, CSS, JavaScript, APIs

Application that allows users to play a chosen video along with a predetermined song. Application was built in a group setting.

EXPERIENCE

CARNIVAL CRUISE LINES, OUTBOUND VACATION PLANNER
2016-2020

Helped guests, from all around the country, book their cruise vacation in a high-paced, high-energy call center.
- Keep detailed account records and contact logs for guests
- Prioritized daily workflows, including all inbound calls and sales-related inquiries
- Utilized a consultative selling approach on all calls
- Emphasized product features based on analysis of guest's needs
- Developed strategies to grow the client base
- Built rapport with guests and maintained friendly and professional interactions at all times.

COLDWELL BANKER RESIDENTIAL REAL ESTATE, REAL ESTATE AGENT
2014-2016

Guided buyers and sellers.
- Ability to maintain confidentiality regarding clients
- Updated and maintained social media and websites
- Created Marketing strategies including sales pitches, client relations, etc.
- Mastered and trained other realtors on the newest applications.
